GUARD CHECK-IN

Buses will enter off of State Road 234 on the south side of the high school. Performer drop-off is located at Door 7. The director will receive the 8 free admissions and check in. You will also receive passes for your bus/truck drivers (one per steering wheel). Please refer to the signs and attached maps for specific parking areas and traffic flow. Backside tickets \$3. Frontside tickets are \$7.

Guards are allowed to check in 1 hour prior to their first transit time.

EQUIPMENT UNLOADING

Equipment Vehicles will enter off of State Road 234 on the south side of the high school. Equipment Unloading will be Door 11. This is a large garage door on the north side of the building. After unloading your equipment, please park in the parking lot outside door 11 for ease of reloading, which will also be at Door 11.

BUS / TRUCK / STAFF PARKING

Buses, equipment vehicles, and staff vehicles will enter off of State Road 234 on the south side of the high school. We will have parent volunteers directing parking. Please refer to the signs and attached maps for specific parking areas and traffic flow.

HOMEROOMS

There will be spots marked off in the hallways for guards to keep personal items. This space is only available from the time guards check in until they are finished performing. Your space must be vacated after your group is finished performing.. For the remainder of time that your group is on campus, students are welcome to utilize backside seating, vendor and concessions area outside the gym post performance. Please keep food and drink in the concession area or gym.

Dressing Rooms are located in the restrooms closest to your homeroom area. NO GLITTER IS TO BE APPLIED AT MT. VERNON HIGH SCHOOL. Please only apply hairspray in the restroom.

SPECTATOR PARKING

Spectator parking will be along the north side of the building (outside door 17) and overflow into the west side of the building. Enter off CR 200 W. We will have parent volunteers to direct parking. Please refer to the signs and attached maps for specific parking areas and traffic flow.
