If you have multiple groups attending, all groups are allowed to "check in" but only the group performing first may bring in props/equipment. All other groups must keep their items on the bus/truck until prior to your proper check in time due to available home room space. Homerooms are guaranteed to be available 1 hour prior to transit to inspection, but could be available earlier.

Please do not have buses pull up to the doors to load students prior to leaving.

Groups will enter the performance gym through the SE corner of the gym (back right from audience view) and will exit the gym on the opposite side (back left from audience view). The floor will be covered with the black IHSCGA tarp. We will utilize a vertical timeline, and the front edge of the black floor will be the front boundary.

HOSPITALITY ROOM

Director hospitality will be located in the library. Bus drivers are welcome to enjoy this area as well. Please keep this area for directors and bus drivers only. Bus drivers with ID, Prop drivers with proper wristband and Directors with IHSCGA tags will be allowed in the hospitality area.

PROPS

Prop check in will open no earlier than 10am. Equipment trucks will be directed to door 8 on the west side of the building to unload props. This door will be double wide with no bar for larger props. All interior doors are also double with no bars. There is a sharp 90 degree turn to get into the performance gym from the prop hallway. If your props are unable to turn that sharply, please contact the IHSCGA contest coordinator, we have other alternatives.

Trucks will park in this general area near the football field, as loading after the performance will take place at door 8 or 9, (which is the loading dock area on the south side of the building close to spectator entrance). Should you need to use it, the loading dock area is not spacious and vehicles will need to back in as there is no "turnaround". Please be advised that prop loading will need to be quick so everyone can get loaded in a timely manner.

Upon exiting the gym, you will be allowed to straighten your floor, put it on your cart and collect equipment in front of the auditorium before loading. This is not a proper re-folding area and you will have just a few minutes to be in this space.

CRITIQUE

Critique for the first half will be in Directors Hospitality, the second half of the day all of these will take place in the Judges Hospitality room which is next to the Cafeteria.

Remember to sign up for critique via CompetitionSuite!
